DarkMatter Framework - Feature #1169

Implement buffered file reader and writer

15/02/2012 00:12 - Fernando Moreira

Status:	New	**Start date:**	21/02/2012
Priority:	High	**Due date:**	21/02/2012
Assignee:	Fernando Moreira	**% Done:**	0%
Category:		**Estimated time:**	3.00 hours
Target version:		**Spent time:**	0.00 hour

Description

- Treat file's content as purely binary.
- Both interfaces should know the file's size.
- They manage their memory internally.
