#### History

##### #1 - 29/05/2012 16:56 - Jonathan Barber

No init script installed with "make install". Seems to be one under "gmond/gmond.init" in the source.

##### #2 - 29/05/2012 17:33 - Jonathan Barber

Copied init script to each node under /etc/init.d/gmond and added:

```
chkconfig --add gmond
service gmond restart
```

Now all ibmcluster nodes are reporting to ganglia.
