- Status changed from New to Closed

Basically did on polaris:

```
for i in mdcosta nileite usertest1 usertest3 usertest4 usertest5 usertest6; do
userdel -r $i
find / -user $i -print0 | xargs -0 rm -rf
yast2 users delete username=usertest5 type="ldap" ldap_password="inebldap"
done
```
